

BANSKO

Bansko..... Idyllic winter atmosphere that makes this city like a snow land from a fairytale. It is in the southwest part of Bulgaria, 160 km farther from Sofija and 40 km from Blagoevgrad on the base of mountain Pirin, mountain that is proclaimed by UNESCO for a world natural treasure. The knot of national park, old alleys, traditional architecture, history and tradition, with new modern hotels complex and modern infrastructure of interesting and amusing ski downhill courses. That's what makes Bansko one of the most prestigious ski resort in Eastern Europe.
